tension**

Distribution by Suburban/Bertus  
UK: Shellshock

**BIOGRAPHY**

Raised in 2010 by the meeting of Belgian preachers Colin H. Van Eeckhout, Mathieu Vandekerckhove and French Dehnsora, Sembler Deah is a journey behind words. This bold eulogy of dark ambient and industrial noisesoundscapes drags each participant, who is more than just a listener, into an ethereal and hypnotic journey of knotted drones and falls. Dark and hypnotic, beauty only rivalled by it's ominous presence.

**MEMBERS:**

Colin H. Van Eeckhout  
Mathieu Vandekerckhove  
Dehnsora
